MONG ALL THE HORSES that have thrilled sport-A loving America, Man O' War holds first place. Nature favored him as she did no other. To him she gave her greatest gift - perfect natural balance of all

the elements that go to make a champion. Back through the ages, Nature began the miracle of Man O' War. Speed from one strain, courage from another, endurance from still another—blended at last into perfect balance in this horse with the natural ability to prove his superior qualities every time he ran. A champion in every respect.

And here's another champion—another of Nature's miracles - Natural Chilean Nitrate. With its natural balance of vital impurities over and above its nitrogen, this natural fertilizer stands out as a champion should, by its everlasting ability to produce. Nature herself blended the vital spark into Natural Chilean. It's there —the natural blend and balance of many elements the vital impurities. That's why Natural Chilean is the logical nitrogen for your crops.

The Vital Impurities In Nature's Own Balance and Blend

THREE STEPS

Sure."

"I've been thinking so much about the green grass and the cool waters! I'm so hot—so tired!"

Fisk nodded; his face was working.

"I know. But I can't leave.

I can't!—without throwing away everything we've fought for. The company will go to smash—you understand! I'd chuck it all if it to the country of the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

Countless thousands of people who have taken Bayer Aspirin year.

Sure."

"I've been thinking so much about the green grass and the cool waters! I'm so hot—so discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

North East to lot owned by Lois who have taken Bayer Aspirin year.

Countless thousands of people who have taken Bayer Aspirin year. kissed his wife. "Don't fret, and don't wait up for me. You know how long everything takes around a well. I may not get it fixed before morning." He smiled reassuringly and playfully pinched her ear. "Can't afford to risk any delay for the sake of a little sleep, eh?"

With sinking he art Gloria watched him go, for there had been something in his voice that belied his cheerful words. This hateful oil business! Its hazards were never ending; there was a malignant genius in the wells that took delight in wrecking human plans and killing high hopes, however well founded.

Don returned for breakfast, hot and tired and thirsty; he began the founded.

North and Paralleled with land medical form. The company will go to smash—you understand! I'd chuck it all if it were mine, but the crowd relies on medical practice.

Countless thousands of people who have taken Bayer Aspirin year in and out without ill effect, here of said Whatley lot to the fibar-Enterprise Highway, and thence along the margin of wort wouldn't have our triumph, would we? You mustn't mind me. I'm such a bay. I'll be all right as soon as 1 toget home."

Day after day the work at the went on. Many times Fisk was tempted to blast, but the men talked him out of the idea.

Don returned for breakfast, hot and tired and thirsty; he began the form the safe of the ingress of realizing the mortgage debt, together with all expenses of the light was tempted to blast, but the men talked him out of the idea.
